

Owning table linens can be an easy alternative to rental. Table coverings and cloth napkins can be a quick and economical way to change the look of a dining room or upgrade your table service.

Let Marko® show you how investing in your own linens really can make work easier for you. When it comes to setting the perfect table, you can count on the beautiful, long-lasting products from Marko to deliver style without sacrificing practicality.

And, like all Carlisle products, you can count on Marko to always deliver value to your bottom line.

### **n!** table linen quick reference
